

GENERAL TERMS and CONDITIONS APPLICABLE TO THE SALE AND DELIVERY OF PRODUCTS BY ICOM COMPOSITES A/S

(legal entity further identified in the order confirmation) HEREAFTER: ICOM

1. GENERAL

1.1 These terms and conditions apply to all offers by and all orders to ICOM for the sale and delivery by ICOM of products (hereafter: goods), and to all agreements with ICOM with respect hereto.

1.2 The applicability of terms and conditions of the other party or customer (hereafter: customer) of ICOM is hereby expressly excluded.

1.3 Provisions that deviate from these terms and conditions can be invoked by the customer only if and to the extent that these provisions are accepted by ICOM in writing.

2. OFFERS, ORDERS AND AGREEMENTS

2.1 All offers from ICOM are non-binding.

2.2 Orders and acceptance of offers by the customer are irrevocable.

2.3 ICOM is only bound when it has accepted an offer in writing or has begun implementation. ICOM is moreover only bound by what was accepted in writing. Verbal commitments or agreements by or with its personnel do not bind ICOM except and insofar as ICOM confirms these in writing.

2.4 These conditions apply to changes to the agreement as they do to separate agreements.

3. PRICE

3.1 Prices set by or agreed to with ICOM are exclusive of V.A.T. They are valid for Carriage Paid To (CPT) as referred to in the INCOTERMS 2010 unless otherwise agreed.

3.2 The price of goods is the price valid at the time of shipment of the goods. All shipment and delivery dates are estimated dates only.

4. DELIVERY PERIOD AND DELIVERY

4.1 The delivery period starts after the conclusion of the agreement, and after ICOM has received all data to be provided by the customer and (if appropriate) after advance payment has been received by ICOM or security for payment has been put at its disposal.

4.2 Failure to deliver within an agreed or stipulated delivery period does not entitle the customer to any damages or to non-fulfilment by it of any of its own

obligations arising from the agreement. The customer is, however, entitled to rescind the agreement by written declaration if, and insofar as after a failure to deliver within an agreed delivery period, ICOM still fails to deliver the agreed upon goods within a reasonable period stipulated by the customer in writing.

4.3 Delivery periods will be extended by the amount of time that the implementation of the agreement is delayed by force majeure. They will also be extended by the time that the customer is later in the fulfilment of any obligation than is agreed to or could reasonably be expected by ICOM.

4.4 ICOM has the right to deliver in parts and/or through an affiliate. Each partial delivery will be deemed a separate delivery with respect to the applicability of these conditions.

4.5 ICOM shall not be obliged to deliver, in any month, any quantity of goods in excess of 10% of the customer's forecasted annual purchase volume for the goods made known to ICOM or, in the absence of a forecasted annual purchase volume, 10% of the historical purchase volume of the customer over the last six months subject always to the availability of goods and ICOM reserves the right to allocate available goods amongst its customers.

5. TRANSPORTATION AND EQUIPMENT

5.1 In all cases where ICOM arranges for transport, it is entitled to solely determine the mode thereof.

5.2 ICOM is only obliged to co-operate in filling or loading containers, tankers, trucks and/or other means of transportation equipment arranged for by the customer, if these are in a ready-to-fill position, if they comply with ICOM and Government safety specifications, and if all instructions by ICOM with respect to loading are followed without delay.

5.3 ICOM's returnable semi bulk containers and (other) equipment of ICOM put at the customer disposal should be used in conformity with ICOM's instructions and returned to ICOM in conformity with any express agreement between parties or, in the absence of an agreed date of return, as soon as possible after the agreed or intended use thereof.

6. RISK, TITLE, INTELLECTUAL PROPERTY

6.1 Risk of Loss of the goods shall transfer to the customer upon delivery to the carrier or when ICOM has complied with its delivery obligations whichever comes first.

6.2 All goods sold and delivered by ICOM remain the property of ICOM until such time as the customer has paid in full all that which is owed to ICOM in connection with the underlying agreement and/or earlier or later agreements of the same nature, including damages, costs and interest. At such time customer will receive good title to all such goods free from any lien or encumbrance.

6.3 In case the customer incorporates or transforms the goods into another product prior to the full settlement of that which is owed to ICOM under article 6.2., customer assigns herewith to ICOM title to the other product resulting from such incorporation or transformation, in proportion to ICOM's goods incorporated or transformed.

6.4 In case the customer sells the goods or a product into which the goods have been incorporated and/or transformed prior to the full settlement of that which is owed to ICOM under article 6.2., the customer assigns herewith to ICOM any receivables and claims in relation to the sale of the goods or the product into which the goods have been incorporated or transformed.

6.5 The industrial and intellectual property rights to or associated with the goods delivered remain with ICOM or third parties entitled thereto, and are never transferred to the customer.

6.6 The customer shall not market, sell or trade any goods under ICOM's trademark without ICOM's prior written permission.

7. INSPECTION, ACCEPTANCE

7.1 The customer is obliged to take physical acceptance of the goods at the agreed location at the time of arrival. All costs of ICOM associated with a failure to take acceptance are for the account of the customer, costs of transport and storage included.

7.2 The customer is obliged to inspect the goods with respect to weight, quantity, product number, product description and immediately noticeable defects at the time of physical acceptance.

7.3 Claims with respect to immediately noticeable defects should be notified to ICOM in accordance with

Article 9 and ICOM's obligations are as described in that article.

7.4 Claims with respect to shortages (weight, quantity, product number, product description) should be notified to ICOM in writing within 14 days after physical acceptance. In the case of a justified complaint made in a timely fashion ICOM shall, at the option of the customer, either arrange for an additional delivery or credit the customer in proportion to the extent of the shortage. With respect to shortages, ICOM shall have no further liability than the above obligations.

8. FORCE MAJEURE

8.1 ICOM is entitled to invoke force majeure if the implementation of the agreement is, in whole or in part, temporarily or not, prevented or impeded by circumstances reasonably out of its control, including natural disasters, epidemics, war, mobilisation, revolution, site or building blockades, strikes, specific work interruptions or work-to-rule slowdowns and lockout, transport interruptions, shortage of raw materials or energy, delay in the provision to ICOM of goods or services ordered from third parties, accidents and interruptions of business operations.

8.2 In the case of force majeure on the part of ICOM, its obligations are suspended. If the force majeure lasts longer than four weeks, ICOM and the customer are both authorized to rescind the non-feasible parts of the agreement by a written declaration, without prejudice to the provision of article 12.

9. WARRANTY

9.1 ICOM warrants conformity of its goods with ICOM's own sales specifications. NO OTHER WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, WHETHER OF FITNESS OR AGAINST INFRINGEMENT OR OTHERWISE, IS MADE AS TO THE GOODS SOLD OR ANY INSTRUCTIONS OR TECHNICAL ADVICE PROVIDED. In case of defects for which claims are submitted in a timely fashion, it will at its own option either redeliver at no cost or credit the customer as far as reasonable in whole or in part for the invoice value of the goods in question.

9.2 With respect to immediately noticeable defects, the customer must submit a claim no later than within 14 days after delivery of the goods, on penalty of loss of any warranty entitlement towards ICOM

9.3 Claims with respect to other defects must be made within 14 days after their appearance, on penalty of loss of any warranty entitlement towards ICOM.

9.4 Any right to a warranty lapses if:

a. directions given by ICOM for storage are not followed exactly; b. goods are used improperly or not in conformity with the agreed to or usual purpose.
c. the customer has not fulfilled any of its obligations towards ICOM arising from the underlying agreement, or has not fulfilled them adequately or on time.

10. LIABILITY

10.1 ICOM is never obliged to pay damages except if and insofar as the damage suffered was inflicted intentionally or by the gross negligence of ICOM. ICOM's liability for loss of profits, consequential or indirect damage is, however, at all times excluded.

10.2 In all cases in which ICOM is obliged to pay damages, these will never be higher than, at its option, either the invoice value of the goods delivered whereby or in connection with which the damage was caused, or, if the damage is covered by an insurance policy of ICOM's, the amount that is actually paid out by the insurer with respect thereto.

10.3 Any claim toward ICOM, except those recognized by ICOM, lapses after a period of 12 months from the time the claim arose.

10.4 ICOM's employees, or independent contractors brought in by ICOM for the implementation of the agreement, can, toward the customer, invoke all means of defence afforded by the agreement as if they themselves were party to that agreement.

10.5 The customer will hold harmless and indemnify ICOM, its employees and independent contractors brought in by it for the implementation of the agreement for each claim by third parties in connection with the implementation by ICOM of the agreement, insofar as those claims are greater than or different from those to which the customer is entitled from ICOM.

11. PRODUCT LIABILITY

11.1 The customer shall indemnify and hold ICOM harmless to the extent that ICOM incurs liability towards any third party in respect of any damage for

which ICOM according to the second and third paragraph of this clause is not liable towards the customer.

11.2 ICOM shall not be liable for loss or damage caused by the goods after taking-over

- to any property where the damage occurs while the goods are in the customers possession, or to products manufactured by the customer, or
- to products of which the costumers products form a part or for loss or damage to any property, where the damage is caused by these products because of the goods.

11.3 ICOM shall under no circumstances be liable for loss of production, loss of profit or other consequential economic loss.

11.4 The above limitations of ICOM's liability shall not apply where ICOM has been guilty of gross misconduct.

11.5 If a claim for damage as described in this paragraph is raised by a third party against either party to contract, the latter shall forthwith notify the other party thereof.

ICOM and the customer shall be mutually obliged to let themselves be summoned to the Court or arbitral tribunal which examines claims against either of them, where the claim is based on damage alleged to have been caused by the goods. 12.3 If the customer does not pay any amount it owes pursuant to the foregoing, it is in default without notice. 13.2 The customer is authorized to rescind only in the cases referred to in Articles 4.2 and 8.2 of these conditions, and then only after payment to ICOM of all amounts owed to ICOM at that time, whether or not due.
